Re: *Consolidated Application of General Motors Corporation, Hughes Electronics Corporation, and The News Corporation Limited for Authority to Transfer Control (MB Docket No. 03-124)*

Dear Mr. Ferree:

Based on our discussions and in order to provide the Commission with materials responsive to the Initial Information and Document Request dated July 8, 2003 ("Request") in a manner that is both expeditious and efficient, General Motors Corporation and Hughes Electronic Corporation ("HE") have identified certain individuals who are likely to have responsive materials. These individuals are listed by document request number on Attachment A. The individuals on Attachment A have been selected from a list of key persons at DIRECTV, Inc. and Hughes Network Systems ("HNS") whose documents have been collected in the course of responding to the Department of Justice's inquiries. These individuals are listed on Attachment B. We have also identified certain members of the team of economists at Charles River Associates, Inc. who prepared a submission in this proceeding.

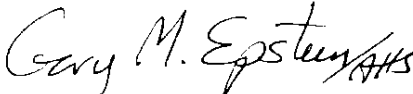

We propose to limit our review of materials for responsiveness to the Commission's document requests to the documents that we have collected from the individuals listed on Attachment A and any other individual listed on Attachment B whom the Commission designates in response to this letter. Attachments A and B contain confidential information, which has been redacted from the public version of this filing.
